

**To: Immigration New Zealand**

*July 29<sup>th</sup>, 2022*

**Dear Sir/Madam,**

**Personal background:**

**My full name: DO THANH BINH**

Date of birth: 26/11/1993

Passport No.: C2951344

Application No.: 20373502

Client No.: 74161883

Type of visa application: Post study open work visa application

**My partner: NGUYEN THI MAI PHUONG (Wife)**

D.o.B: 22/09/1993

Passport No.: C6935360

Application No.: 20861090

Client No.: 63764810

Type of visa application: Partnership-based work visa application

My name is Binh, I am writing this letter to explain about the request of undertaking a medical examination for me and my wife under the **Resident Visa - 2021**, application number is **RV00025829**.

I have read that if I and my wife have provided a medical certificate within the last 36 months and were assessed as having an acceptable standard of health, we will not need to provide a further medical certificate as referred to <https://www.immigration.govt.nz/new-zealand-visas/apply-for-a-visa/visa-factsheet/2021-resident-visa#criteria>

However, we are still requested to submit this medical examination again. So we would like to add our previous valid **New Zealand eMedical Reference Number (NZER)** which is accepted in our existing visas.

For my situation, I have 2 New Zealand eMedical Reference Number (NZER):

- The first one is **Chest X-Ray: N001013533**, completed date is **27-Nov-2019** under my previous student visa. *(See attached file called Binh 's NZER)*
- The second one is **Medical Examination: N001214854**, completed date is **20-June-2021** under my current Post Study Open Work Visa *(See attached file called Binh 's NZER)*

For my wife, Nguyen Thi Mai Phuong's situation, she had a New Zealand eMedical Reference Number (NZER) is **N001370213** completed date is **27 Apr 2022** under her current Partner-based

work visa application for both chest x-ray and medical examination. *(See attached file called Phuong 's NZER)*

I am not sure whether the information I provide here is enough and qualified for health requirements requested by Immigration. Hope officers will check my current situation and let me know if I and my wife really need to take another medical examination.

Look forward to hearing from you soon.

Yours Faithfully,

A handwritten signature in black ink, consisting of two parts. The first part is a stylized 'Binh' and the second part is a stylized 'Phuong'. Both names are underlined with a single horizontal stroke.

You recently had a health examination as a requirement for your New Zealand visa application. At that time you let us know that you would like confirmation when your examination has been completed.

**This email confirms that your health examination has been completed and submitted to Immigration New Zealand (INZ).**

Please keep the following details in a safe place as you will need them again:

- Your **New Zealand eMedical Reference number (NZER)** is: N001013533
- Your **Health examination completion date** is: 27-Nov-2019

**What happens next?**

Submit your visa application to INZ as soon as possible, if you have not done that already. If you need more information about visa applications, see the [INZ website](#).

**Important:** You need to submit your visa application within **three months** of your health examination completion date (above). If you do not submit it in time, you will have to undergo a further health examination.

**We may need some extra health information from you**

If INZ requires extra health information, we will let you know in a separate email. You will then need to contact an INZ panel physician to determine what extra information we need.

**You can request a copy of your health examination**

If you want a copy of your health examination, contact the panel clinic where you had your examination and tell them your New Zealand eMedical reference number NZER (above).
